

Before Starting the Project Listings for the CoC Priority Listing

The FY2015 CoC Consolidated Application requires 2 submissions. Both this Project Priority Listing AND the CoC Consolidated Application MUST be submitted.

The FY 2015 CoC Priority Listing contains the following forms:

1. Reallocation Forms
2. Project Listings
 - a. New Project Listing – will list the new project applications created through Reallocation and the Permanent Housing Bonus that have been approved and ranked or rejected by the CoC.
 - b. Renewal Project Listing – will list all of the eligible renewal project applications that have been approved and ranked or rejected by the CoC.
 - c. UFA Costs Project Listing – applicable and only visible for those 4 Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2015 CoC Program Registration process. Only 1 UFA Costs project application is permitted.
 - d. CoC Planning Project Listing – will list the CoC planning project application submitted by the Collaborative Applicant. Only 1 CoC Planning project per CoC is permitted.
3. Attachments:
 - a. Final HUD-approved GIW
 - b. HUD-2991 – Certification of Consistency with the Consolidated Plan

Things to Remember

- The Priority Listing ranks the projects in order of priority all new project applications created through Reallocation and the Permanent Housing Bonus as well as renewal project applications and identifies any project applications rejected by the CoC.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2015 CoC Ranking Tool located on the HUD Exchange to ensure a ranking number is used only once. The FY 2015 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants should notify all project applicants no later than 15 days before the application deadline regarding whether their project applications will be included as part of the CoC Priority Listing submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the CoC Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.

Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.

Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.

1A. Continuum of Care (CoC) Identification

Instructions:

The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/ask-a-question/>.

Collaborative Applicant Name: Community Action Partnership of Oregon (CAPO)

2. Reallocation

Instructions:

For guidance on completing this form, please reference the FY 2015 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2016 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that intend to reallocate eligible renewal funds to create a new project application (as detailed in the FY 2015 CoC Program Competition NOFA) may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$13,602				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
WSRC Cloe & Janes...	OR0087L0E051407	TH	\$13,602	Regular

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2015 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

3-1 Complete each of the fields below for each grant that is being eliminated during the FY 2015 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2015 Grant Inventory Worksheet to ensure all information entered here is accurate.

Eliminated Project Name: WSRC Cloe & Janes House TH

Grant Number of Eliminated Project: OR0087L0E051407

Eliminated Project Component Type: TH

Eliminated Project Annual Renewal Amount: \$13,602

**3-2 Describe how the CoC determined that this project should be eliminated.
(limit 750 characters)**

The now-former CoC grantee has been undergoing capacity/staffing issues in the last three years, and both the CoC lead (and local grantees) and HUD Portland reps have worked hard providing TA and other supports for this agency I the time frame. Ultimately, the agency wasn't able to participate in any way in the pre-application process and so was scored 0 and ranked last in prep for this competition. The project would not have been able to meet any threshold review that HUD will complete for Tier 2 listed projects.

4. Reallocation - Grant(s) Reduced

CoCs planning to use reallocation may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
This list contains no items					

5. Reallocation - New Project(s)

Collaborative Applicants must identify the new project(s) the CoC plans to create and enter the requested information for each project.

Sum of All New Reallocated Project Requests
(Must be less than or equal to total amount(s) eliminated and/or reduced)

\$13,602				
Current Priority #	New Project Name	Component Type	Transferred Amount	Reallocation Type
38	OCHH-ROCC SS...	SSO-CE	\$13,602	Regular

5. Reallocation - New Project(s) Details

Instructions:

For guidance on completing this form, please reference the FY 2015 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

5-1 Complete each of the fields below for each new project created through reallocation in the FY 2015 funding process. For list of all eligible types of new projects that may be created through the reallocation process, see the FY 2015 CoC Program Competition NOFA.

FY 2015 Rank (from Project Listing): 38

Proposed New Project Name: OCHH-ROCC SSO for CE

Component Type: SSO-CE

Amount Requested for New Project: \$13,602

6. Reallocation: Balance Summary

Instructions

For guidance on completing this form, please reference the FY 2015 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>

6-1 Below is the summary of the information entered on the reallocated forms. The last field "Remaining Reallocation Balance" should equal '0'. If there is a positive balance remaining, this means that more funds are being eliminated or reduced than the new project(s) requested. If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.
