

## Action Step Tracking Tool

The Action Step Tracking Tool should be used as a framework to define, assign, measure and track discrete tasks that contribute to the design of your Veteran Homelessness Response System.

COHORT 1: SYSTEM ENTRY POINTS					
Action Step	Start Date	End Date	Person(s) Responsible	Measure that Action is Complete	Notes & Status Updates

COHORT 2: TRANSITIONAL HOUSING					
Action Step	Start Date	End Date	Person(s) Responsible	Measure that Action is Complete	Notes & Status Updates

### Action Step Tracking Tool

The Action Step Tracking Tool should be used as a framework to define, assign, measure and track discrete tasks that contribute to the design of your Veteran Homelessness Response System.

COHORT 3: PERMANENT HOUSING					
Action Step	Start Date	End Date	Person(s) Responsible	Measure that Action is Complete	Notes & Status Updates

COHORT 4: HOMELESSNESS PREVENTION					
Action Step	Start Date	End Date	Person(s) Responsible	Measure that Action is Complete	Notes & Status Updates
