I. Threshold Requirements

Threshold Criteria These factors are required but not scored. If the project indicates “no” for any threshold criteria, it is ineligible for CoC funding.	2018 Points
HMIS Implementation: Projects are required to participate in HMIS unless the project is a victim-services agency serving survivors of domestic violence or a legal services agency.	N/A
Coordinated Entry: Projects are required to participate in Coordinated Entry when available in local service area(s).	N/A

II. Detail

1. Outcomes: 45 Points

Overall, has the project been performing satisfactorily and effectively addressing the need(s) for which it was designed? Keep in mind that outcomes will naturally be lower in a more difficult-to-serve population (such as chronically homeless and those with mental and/or addictive illnesses).

Factors:

1A: Capacity	2018 Points

<p>Is the project serving the number of homeless <u>households</u> it was designed to serve?</p> <ul style="list-style-type: none"> • Report on four points during the year - APR dates <p><i>Reference: NEW Canned APR Q8b (households)</i></p> <p><i>To calculate:</i></p> <p><i>Determine %, add 4 points together, divide by 4. This gives an average. Divide that number by the projected HH form the application. Points will be relational, i.e. 90%=9 points, 80%=8 points, etc.</i></p> <p><i>Make notes of overutilization (beyond 105%)</i></p> <p><i>If only one unit/HH is unoccupied, applicant will be given the '80%-85%' points. More than one unoccupied unit/HH will receive 0 while all units/HH occupied will receive '>95% points'. Relates to Q.1A capacity and not exits to permanent housing.
